

RCMP Awards & Commemorative Keepsakes

Whether it is a transfer, promotion, retirement, special commendation, task force/special project completion or just an elegant way to recognize community volunteers and sponsors, we can create a special award or keepsake that will be guaranteed to make a long & lasting impression.

"These recognition plaques have become extremely popular with all RCMP employees in "V" Division (Nunavut). The design and make-up of these recognition pieces are as unique as is Nunavut Territory and as are all "V" Division employees who proudly serve in Canada's far north."
