

# Bulk-Buy

2021 Special Offer

Tired of running around at the 11th hour looking for a quality transfer, retirement or thank-you gift?!

**We can fix that problem!**

Like many other detachments, why not go the bulk-buy route? Buy as many of the same or different plaques as desired and have them on hand at the office. Then, when you need to present one, just contact us and we will make a nameplate and send it in the mail, N/C. Super convenient - especially for those 11th hour presentations - they also make elegant and affordable gifts for valued community partners and volunteers.

So, for 2021, we will give you up to 10 plaques\* **no charge** and then invoice you just \$84 + GST each time you use one and order a nameplate.

Save lots of time & money on shipping and **always** have a beautiful plaque to present.
