

Bulk & Regular Orders

- For a custom plaque like one of these;
- call, email or text Blair any day
 - if you have a photo you want to use, send it on, along with the personal info we need for the plaque + any special tribute text.
 - we will create a starter proof and then we go back and forth until it's perfect!
 - if you don't have a photo, we will send you what we have on file for your area or choose from our "generic" photos like the vintage horse & rider, below.

Once you approve the design we make it, ship it, then send you an invoice. Payment by e-transfer or cheque is preferred, but we can take credit cards too.

Easy!

For bulk orders it's even easier!

As an office you can order 10* or more of the same background or choose several different ones. Full price: \$84 x10 = \$840 + GST

We will ship you the plaques and pay the first 20 bucks! Then, when you have an order, contact us and we will make up a nameplate and send it in the mail - no charge for regular mail. We can send that nameplate to you or to the recipient's new address.

Bulk 1:43rd Utility orders receive the Explorer & base first!

Not only are these 8"x 6" bevelled glass bulk plaques great value for only \$84, but they allow you to always have a plaque to present in "emergency" situations. Most importantly, you save **LOT\$** on shipping costs vs: individual orders.

As a transfer, retirement, community appreciation or any other gift, our process is both ultra convenient and super easy to create highly personalized awards. Contact us any day for more info including easy payment options.
