

# Bulk & Regular Orders

For a custom plaque like one of these;

- call, email or text Blair any day
- if you have a photo you want to use, send it on, along with the personal info we need for the plaque + any special tribute text and/or let us help you with that.
- we will create a starter proof and then we go back and forth until it's perfect!
- if you don't have a photo, we will send you what we have on file for your area or choose from our "generic" firefighter photo file.

Once you approve the design we make it, ship it, then send you an invoice.

Payment by e-transfer or cheque is preferred, but we can take credit cards too.

Easy!

## For bulk orders it's even easier!

Firefighters - especially volunteer firefighters, may appreciate having a recognition plaque to display in their home, office or store.

They deserve that recognition for the work they do and the countless hours of training required to establish & maintain the knowledge and skills necessary for professional functioning.

One plaque - with the all-important nameplate - can carry all important milestones from start date to retirement and everything in between. We start with a 2" high nameplate and can use subsequent nameplates up to 3.75" high. While nice to have a bunch of plaques, having one high quality one that documents all your milestones as you achieve them - one that you can display before you retire - is even nicer! Great for gifts for supporting sponsors & partners too.
